

February 15, 2010

In order to maintain the highest standards of business ethics we have identified five hotels that may be considered "Company Approved" pursuant to Arthrex's Compliance Policy and ADVAMED guidelines. Please utilize only these hotels for booking rooms for international or domestic surgeons, distributors, reps and vendors.

If Arthrex will be assuming the charges for the room nights this policy must be adhered to. If the distributor will be paying the charges we suggest that they follow our policy when representing Arthrex.

Hotel	2009 / 2010 Dates	Standard Rate	Arthrex Corporate Rate	Room Type
