

# Keep Your OR Dry and Slip Free with Arthrex

## DRI-SAFE™ ABSORBENT PADS

- Super absorbent, economical disposable floor pads which eliminate expensive laundry costs.
- Use wherever fluids build up, including OR floors, in front of scrub sinks, lab station floors, etc.
- Dri-Safe Pads help prevent slips and falls, as well as the transmission of harmful contaminants to healthcare providers.
- Impermeable poly backing option promotes safety and keeps the pads firmly in place. Fluids are locked in.
- Dri-Safe Pads may significantly reduce OR turnover times and help prevent cross-contamination in your facility. Disposal is simple.
- Dri-Safe Pads come in multiple size options!
